## The Company

- McGregor Nominees Limited is a Private Limited Liability Company incorporated in Nigeria on November 25, 2010, with the Corporate Affairs Commission (RC No. 923314) offering specialized corporate services.
- McGregor Nominees Limited is an industrial and general cleaning, gardening, landscaping, integrated pest management and facility maintenance service provider.
- Our primary business is providing complete professional hygiene and environmentally related services to commercial or industrial facilities, offices, homes, institutions and virtually all organisations both small and large.

## Mission

To inculcate a culture of quality products and efficient service delivery in order to satisfy and surpass our clients' desires.

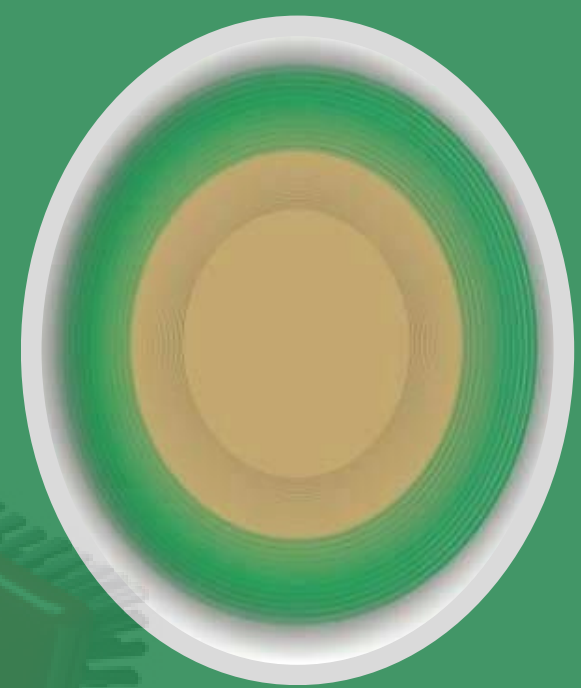

## Vision

To become top amongst the world's best and foremost providers of excellent and flawless corporate support services in record time.

## Approach

We deliver through deploying state-of-the-art technology and a highly disciplined professional workforce.

# OUR SERVICES

- **Industrial Hygiene and General Cleaning:** Professional cleaning of offices, homes, factories, warehouses, hospitals, schools, construction sites and other business premises.
- **Gardening/Landscaping and Maintenance:** Rehabilitation of the landscape and flowers therein. Regular maintenance of the landscape and garden.
- **Integrated Pest Management:** Fumigation and Pest Control Service for the control of infestation by pest and rodents in and around offices, homes and institutions and/or industrial facilities.

## **GARDENING/LANDSCAPING AND MAINTENANCE**

**As professionals in this field we carry out the aforementioned services in two ways:**

### **i) Rehabilitation of the Landscape and Flowers:**

**This is the initial rehabilitation of the landscape and flowers in order to obtain a more appreciation of nature. We replace all old plants and flowers as well as reshape the landscape to bring out a more befitting look for the facility.**

### **ii) Regular maintenance of the landscape and garden:**

**For continued serenity of the landscape and garden, we carry out regular maintenance so as to sustain the beauty created within the facility.**

## **INTEGRATED PEST MANAGEMENT**

**Fumigation and Pest Control Service for the control of infestation by pest and rodents in and around offices, homes and institutions and, or industrial facilities.**

## **INDUSTRIAL AND GENERAL CLEANING**

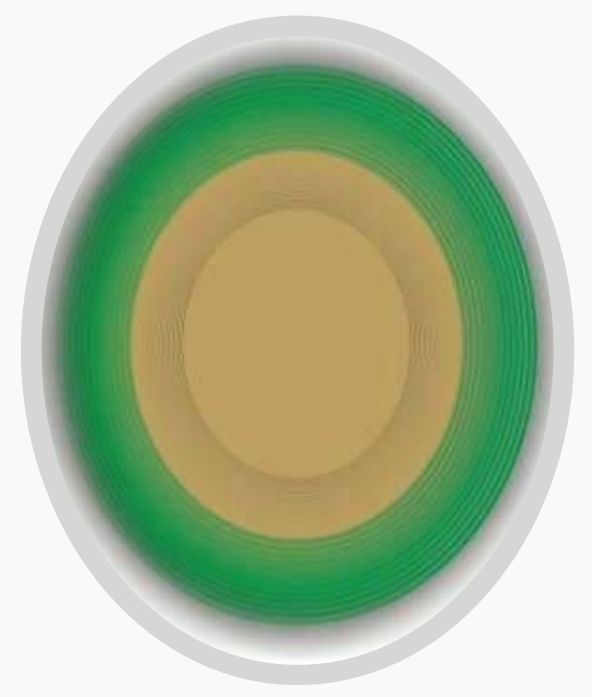

**We have taken dynamic steps towards assisting valuable organisations achieve clean and conducive work and living environments through a highly task specific and systematic process that saved such organisations cost and long man hours while they focused on their core organisational goals.**

## **PROCUREMENT AND SUPPLY OF EQUIPMENT**

**We can find, purchase and supply the tools your organisation needs to operate effectively. We aim to reduce your overhead by seeing what you need and working with the equipment you already have.**

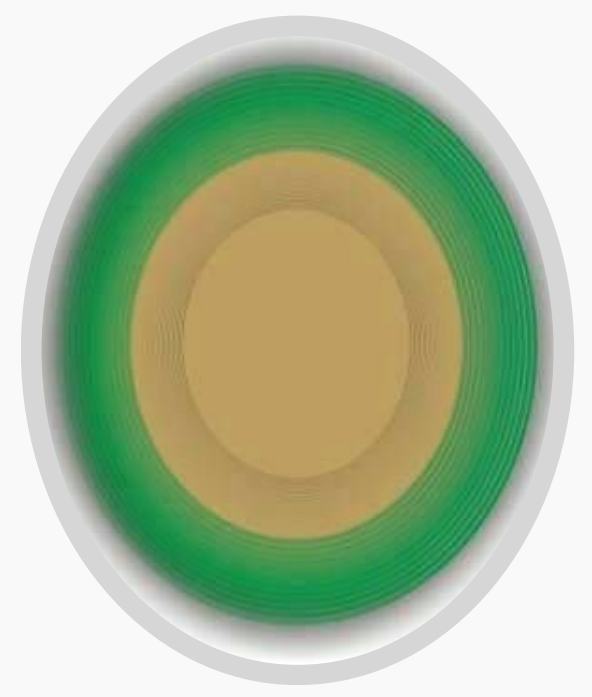

## **LABOUR OUTSOURCING**

**We can source and provide you with the appropriate labour force, skilled or unskilled, to meet your non-permanent service needs.**
